with sites according to Annex A

meets the requirements of the standard noted below (the Requirements).

## ISO 9001:2015 Quality Management System

### Scope of Certification

**Standard Software Development, Application Management Services, Product Support for Financial Services Software solutions, platforms, and Software as a Service by ESG.**

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 management systems assessment standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at [www.pwc.com/ca/certificate](http://www.pwc.com/ca/certificate). The ISO standards can be found at [www.iso.org](http://www.iso.org).

Based on our assessment, the management system met the Requirements, in all material respects, as of 19 December 2024.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
